TRADE-OFF

08 / 10

You just finished your shift as a CNA. You need to tell the nurse on the next shift that one patient refused medication. You can use two communication tools:

- **(A) A quick 2-line note in the patient chart.** Pros: fast, written record, next nurse reads it.
- **(B) A verbal handoff in person AND a note.** Pros: chance to answer questions, more thorough.

Pros of picking A: _____

Pros of picking B: _____

My choice (A or B): _____

Quality list (pick ONE from today's written-communication tips or add your own): **clear** / **concise** / **on-topic** / **reader-focused** / **proofread**

Which quality matters MOST in THIS handoff, and why?
