

Automotive Evidence Brief

NAME _____

DATE _____

PERIOD _____

1. Visible evidence and boundary

One Crash Crew condition supported by the image:

One conclusion the image does not support:

Inspection, approved information, or authorized role still needed:

Why the boundary matters:

Use this frame if it helps: “The image supports [visible condition]. It does not prove [unsupported conclusion]. A [authorized role] would need to [evidence step] before [decision].”

2. Three-career comparison and direction

Salary basis: May 2024 U.S. national median annual wage.

OCCUPATION	MEDIAN	RANK, 1-3	ONE PREPARATION FACT
Automotive Service Technician	\$49,670		
Diesel Service Technician	\$60,640		
Automotive Body and Related Repairer	\$51,680		

Highest-to-lowest comparison with the full evidence label:

Occupation I would investigate first and two relevant facts:

One limitation of the national evidence:

Use this frame if it helps: “On the May 2024 U.S. national median basis, [comparison]. I would investigate [career] because [fact 1] and [fact 2]. The evidence cannot decide [limit].”

3. Preparation-route decision

First route I would investigate: ☐ Irving workbook/current district route ☐ TCC example ☐ Registered Apprenticeship ☐ employer/OJT

One advantage:

One tradeoff:

One missing fact:

Exact verification question and authorized source or person:

Use this frame if it helps: “I would investigate [route] first because [advantage]. A tradeoff is [tradeoff]. Before deciding, I would ask [authorized source or person] whether [exact question].”

4. Limitation, next action, and revision

What the evidence cannot decide for me:

One action I can complete within seven days:

Use this frame if it helps: “Within seven days I will [action] and keep [completion evidence].”

Completion evidence:

Weakest section before revision: [section name]

Revision I made:

Three labels I kept accurate:

- 1. [label]
- 2. [label]
- 3. [label]

One unsupported claim I removed or corrected:

Private submission: ☐ Canvas text ☐ Upload ☐ Media ☐ Paper
