Hospitality Career and Business Recommendation

Use this rubric before you submit. Daily design work and team participation are practice; this rubric scores the individual recommendation.

CRITERION	4 - MASTERS	3 - MEETS	2 - APPROACHES	1 - NEEDS IMPROVEMENT	0 - NO EVIDENCE
Career evidence	Accurate task plus a correctly labeled year, geography, and measure; comparison supports the choice	Accurate task and labeled fact support the choice	Some accurate evidence, but label or comparison is incomplete	Evidence is inaccurate, missing, or unrelated	Blank or copied without evidence
Preparation and trade-off	Explains a specific preparation or schedule trade-off and why it matters to Jordan	Names a relevant trade-off and explains the choice	Names a trade-off with limited explanation	Lists only benefits or gives no trade-off	Blank or unrelated
Entrepreneurship	Names a workable small-business opportunity and explains what the owner sells, coordinates, or risks	Names a relevant business opportunity and service	Names a business idea with limited operation detail	Treats entrepreneurship as only a job title	Blank or unrelated
Recommendation and local connection	Five to seven clear sentences connect the scenario, evidence, limitation, and a verified local option without guarantees	Recommendation is defensible and uses most required evidence	Recommendation is understandable but missing a required link	Recommendation is unsupported, off topic, or too incomplete to evaluate	Blank or copied without evidence

BEFORE YOU SUBMIT

- ☐ My number still has its year, geography, and measure.
- ☐ My trade-off names both a benefit and a cost or limit.
- ☐ I explain what the business owner sells or coordinates.
- ☐ I describe a local opportunity as something to investigate, not a guarantee.

Your content and reasoning count. Drawing quality, platform choice, accent, and English mechanics do not change the score unless the meaning is unclear.
