A Human Services career I favorited in H&L this week:

Connect this career to THREE things:

1. Your TOP career factor from today's Xello lesson (example: creativity, stable pay, flexible hours, helping others)

My top factor: . Why does this career match (or not match) my top factor? One sentence:

2. A CLASSMATE's top factor (different from yours; trade with a peer in the last minute)

My classmate's factor: . Does this career still fit if that factor matters MOST? One sentence why or why not:

3. One fact from this week (TDLR hours, salon business skill, a stress toolkit technique)

My fact: . Why does this fact matter for someone going into this career? One sentence:
