

Aviation Route and Action Plan

NAME _____ DATE _____ PERIOD _____

Day 2 • Evidence and route decision

Use the two-page Aviation Careers and Pilot Routes reference. Do not copy a salary without its label.

Career: _____ Daily-work fact: _____

Preparation fact:

Pay figure and full label: _____

First route fictional Sam should investigate: _____

One entry step:

One tradeoff or uncertainty:

Before deciding, Sam must verify _____ with _____

Why that source or person is authorized:

Source and access date: _____

Use this frame: “The *route may fit Sam because* . *A tradeoff is* . ***Before deciding, Sam must verify*** with .”

Day 5 • Current direction and first action

Choose one. Your choice is not graded.

- ☐ I want to investigate one aviation route further.
- ☐ I like the work but need a different preparation route.
- ☐ Aviation is not my current fit, but one Transportation career is.

Current career or Transportation direction: _____

One evidence-based reason:

One fact that could make me revise this direction:

Communication or systems skill from the simulation:

STAGE 1 • WITHIN SEVEN DAYS

Action with a clear verb:

Specific day/time block: _____ Minutes: _____

Evidence that will show completion:

Stages 2 and 3

STAGE 2 • BEFORE THE NEXT COUNSELING MEETING

Course, eligibility, access, or preparation question:

When I will check it: _____ Authorized person/source: _____

Evidence that will show completion:

STAGE 3 • DURING GRADE 9 OR AFTER HIGH SCHOOL

Longer preparation step:

Label: ☐ current requirement ☐ conditional ☐ still unverified

Why this label is honest:

Evidence that will show progress:

PROTECT THE PLAN

Support: _____ Likely obstacle: _____

Equal backup action:

Condition that would make me revise the plan:

Self-score, revise, and submit

CRITERION	MY LEVEL, 0-4	EVIDENCE I CAN POINT TO
Source accuracy		
Route reasoning		
Timed action plan		
Support and revision		

Weakest section: _____

Revision I made after self-scoring:

Submission check

- ☐ One source-labeled fact and route tradeoff from Day 2
- ☐ Current direction with an evidence-based reason
- ☐ Three timed stages with completion evidence
- ☐ Support, obstacle, equal backup, and revision condition
- ☐ One visible revision after self-scoring

Private submission: ☐ Canvas text ☐ file ☐ media ☐ paper

Planning frame: “By __, *I will* for _ *minutes. I will know it is complete when* . If _ *happens, I will* _ instead.”
