CONCEPT MAP

A Manufacturing career I favorited in H&L this week:

Connect this career to THREE things:

1. The Manufacturing PATHWAY it belongs to (Robotics & Automation, Industrial Maintenance, Manufacturing Tech, Electronics, Welding, or Advanced Manufacturing)

My pathway: . Why does this career belong to that pathway? One sentence:

2. My Wk0 RIASEC type (Doer, Analyzer, Creator, Helper, Persuader, or Organizer)

My RIASEC type: . Why does this career match (or not match) my type? One sentence:

3. A TRAINING FACT from my Day 2 Hat Research (example: "FANUC Robot Operator training is 1 semester at Singley")

My training fact: . One sentence on why this fact matters to a student deciding whether to pursue this career:

TEACHER · MASTERY

☐ Beginning 1 ☐ Developing 2 ☐ Proficient 3 ☐ Mastery 4
