MINI-CASE

Scenario: An Irving after-school program serves 200 kids ages 8-12. Most of them do not read English well. The program director asks you to pick ONE Cyber Safety tool to share with every kid.

1. Which H&L tool option (Guide / App / PSA) fits this group BEST, and why? Use one detail about the audience (age, reading level, group size) to back your pick.

My pick:

Why:

2. What is the ONE most important safety message your tool will teach these kids? (In 1 sentence.)
