CONCEPT MAP

My emerging biomedical career (from Day 5 research):

Connect this career to THREE things:

1. The BLS labor market trend I found today (growing fast, stable, or slow)

My trend: . In one sentence, what NEW technology or need created this emerging career in the last 10 years?

2. The Irving High Biomedical Science pathway (leads to BACE certification)

Does the Irving High pathway lead DIRECTLY to my emerging career, or is it a STEPPING STONE through further school? Circle: DIRECT / STEPPING STONE. One sentence why:

3. What I learned about MYSELF across 2SW (Law + Health Science clusters)

One sentence, what pattern do I notice about the careers that attract me after 6 weeks of Health Science + Law exploration?

Submit the Emerging Career Research template + the updated 2SW reflection as the Week 6 + 2SW summative deliverable.
