

BLOCK **1.5.2**

NAME _____

DATE _____

PERIOD _____

TEK | d(1)(C)

MINI-CASE

07 / 10

Your aunt forwards you an email. The sender is parent-portal@irvingisd-parentalert.com. It says: "Dear Valued Parent, your student account have been locked. Reply with your child's ID number and birth date in 24 hours or the account will be deleted."

- 1** | Is this email SAFE or SPOOFED? Circle one. Then name TWO red flags from today that made you decide. ****SAFE**** / ****SPOOFED**** Red flag 1: Red flag 2:

- 2** | You are the cybersecurity analyst at the school district. In one sentence, tell your aunt what to do next.

- 3** | Name ONE other Information Technology career that helps stop attacks like this. Say what that person does. Career: What they do:
