CONCEPT MAP

A Plant Science or Environmental career I favorited this week:

Connect this career to THREE things:

1. A Xello Work Experience I logged today (babysitting, pet sitting, family business help, school event work, etc.)

My experience: . In one sentence, what skill from this experience prepares me for the favorited career?

2. The Nimitz HS Plant Science pathway (leads to Texas Certified Landscape Associate credential)

3. My 3SW pattern so far (Wk 1 Animal Systems + Wk 2 Plant Science)
