

DECISION TREE

05 / 10

1

What is ONE thing my business will do that NO other shop in the area is doing? (unique selling point)

2

First business problem I have to solve on Day 1 (pick ONE): - renting a space I can afford - buying supplies and equipment - getting my first 10 customers - hiring staff I picked

3

Which business skill (NOT cosmetology skill) do I need to solve that problem? Pick ONE: accounting / marketing / scheduling / inventory / customer service / other: In one sentence, why does THIS skill matter more than the others for my first problem?
