Marcus is selling a \$40 study headset that blocks noise. He wrote ONE pitch and used the same words with two very different audiences. To parents he said, "It blocks noise so homework gets done faster." To gamers he said the exact same sentence.

1 Did that same sentence fit BOTH audiences? **YES / NO**?

2 ONE reason:

3 What I am selling:

4 My audience:

5 ONE thing my audience cares about most:

6 Circle ONE sales job you saw in the app today that you would want to try: Sales Manager · Account Executive · Retail Manager · Sales Representative · Inside Sales Specialist?

7 Knowing what your audience cares about is a skill. Name ONE job that is NOT a sales job but still needs that same skill, and say why: Job: Why it needs that skill:
