

Career Research Worksheet

NAME _____

DATE _____

PERIOD _____

One career per sheet. Fill in all six parts. Start in the Hats & Ladders app. Then check your pay and training facts in one more source before you write them down.

1. Name of Career

2. What Interests You?

What made you want to learn about this career?

3. Brief Job Description

What does this worker do on a normal day?

4. Education / Training Needed

How much school or training do you need after high school?

5. Average Salary

How much does this job pay in one year?

6. What Tools, Equipment, or Skills are Needed for This Career?

Keep this sheet. You will use these same six parts in every career week this year.
