

Emerging Tech Research Template

NAME _____

DATE _____

PERIOD _____

One career per sheet. Use three sources: the BLS Occupational Outlook Handbook, the Hats & Ladders app Hat Finder, and one web search. Fill in all seven parts. You use this same sheet again on Day 5 for your 2 minute pitch, so write it so you can read it out loud.

1. Career Name

2. What does this person do? Write 3 to 5 sentences in your own words.

3. Education needed. Is it a degree, a certification, or both?

4. Median salary (BLS). Write the number, not "a lot."

5. Job growth rate (BLS). Write the percent and the years it covers.

6. Why is this career considered "emerging"? What new technology made this job exist?

7. One DFW company that hires for this role

☐ BLS has no page of its own for my career, so I used the closest match: _____

A career with no BLS page of its own is proof the career is emerging. Say that in your pitch.
