

My Career Journey Update (1st Six Weeks)

NAME _____ DATE _____ PERIOD _____

Put your Week 0 My Career Journey handout next to this page. Five weeks ago you wrote what you knew about yourself. Today you add what you learned. Open your Climber Profile before you start. Turn both pages in together.

1. What clusters have I explored?

The two career groups I explored were _____ and _____.

The Information Technology pathways I rated in the app were:

1. _____
2. _____
3. _____

2. What careers did I favorite?

List every Hat in your Climber Profile. You should have at least six.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

3. What surprised me?

The biggest surprise of these five weeks was _____

4. What do I want to explore next?

Next six weeks we study Law and Public Service and Health Science.

The one I most want to explore is _____ because

5. What is my postsecondary goal?

Postsecondary means after high school. This is the goal your logo stands for.

After high school I want to _____ .

My logo shows _____ .

The Irving ISD pathway that gets me there is _____ .

6. What Powerskills did I practice?

Circle two or three: Work Ethic · Communication · Problem-Solving · Integrity · Time Management

I practiced _____ when I _____

7. One question I still have

Something I still want to know about careers, high school, or life after high school:

Look Back at Week 0

Read your Week 0 page one more time. The biggest change between that student and this one is:
