1. Graduation framework

Current Grade 8 cohort: The statewide foundation still totals 22 credits. Beginning with students entering Grade 9 in 2026-2027, the three social studies credits include U.S. History (1), Government (0.5), Personal Financial Literacy (0.5), and one credit from World History, World Geography, or Foundations of Economics. Current Grade 8 students enter high school after that start date.

Foundation plan plus an endorsement: _____ credits

Five endorsement areas:

PSAT / SAT / ACT		
TSIA		
ASVAB		
Industry certification exam
