

Veterinary Evidence and Pathway Rubric

TEACHER USE

3sw/wk1-vet-science

Recommended minor checkpoint: 16 points

Score the Day 2 comparison, Day 3 triage reasoning, and Day 5 pathway recommendation as one evidence packet. Xello completion is verified in the Completion Standards report and is not scored as a click.

CRITERION	MASTERS - 4	MEETS - 3	APPROACHES - 2	NEEDS IMPROVEMENT - 1	NO EVIDENCE - 0
Career and route evidence	All three careers use accurate duties, routes, boundaries, and dated labels	Accurate evidence; one label or detail is thin	Two careers usable; one measure or route confused	Career named with unsupported or mislabeled facts	Blank or off topic
Route evaluation	Uses two facts and explains an education/responsibility trade-off	Uses two relevant facts and a clear reason	One fact plus a general preference	Preference with little evidence	Blank or off topic
Triage reasoning	Uses two case/reference details, separates appearance from evidence, and states a limit	Uses two relevant details and avoids diagnosis	Uses one relevant detail or weak comparison	Relies on appearance or invents a conclusion	Blank or off topic
Pathway and skill connection	Accurate Nimitz fact, skill, recommendation, and next step; no outcome promise	Accurate local connection and skill; one detail thin	General local or skill connection	Program or skill word without an evidence link	Blank or off topic

Score record

CRITERION	POINTS
Career and route evidence	/4
Route evaluation	/4
Triage reasoning	/4
Pathway and skill connection	/4
Total	/16

Performance-band conversion

RAW POINTS	PERCENT RANGE	BAND
15-16	90-100	Masters
13-14	80-89	Meets
12	70-79	Approaches
10-11	60-69	Needs Improvement
0-9	Below 60	Follow campus or district policy

Scoring boundaries

- Keep May 2024 U.S. medians separate from starting or local pay.
- Barnaby is seen first; students still do not diagnose either animal.
- A high-school pathway builds preparation but does not guarantee a credential or replace a professional route.
- Score reasoning, not pet ownership, English mechanics, live speaking, or enthusiasm for the career.
