

Xello Skills Lesson Reflection

NAME _____ DATE _____ PERIOD _____

Required Grade 8 task

Complete the **Skills lesson** in Xello. The district completion target is the finished lesson. Xello requires at least three saved careers before this lesson opens.

Do not submit a screenshot of your profile. Your teacher checks the Completion Standards report.

Connect one skill to two settings

One skill from the lesson: _____

How I already practice it at school, home, in an activity, or in my community:

How the same skill appears in one veterinary career:

Career: _____ Skill in action: _____

How the skill could transfer to a different career or pathway:

Other career or pathway: _____

One next practice opportunity

In the next two weeks, I can practice this skill by:

How I will know I practiced it:
