Current Irving Pathway Card

- Public MacArthur label: **Construction**, School of Architecture, Construction and Civil Engineering (ACE)
- 2026–27 coursebook sequence: Principles of Construction → Construction I → Construction II → Practicum in Construction
- Coursebook certification: Autodesk Associate (Certified User) Revit Architecture
- Coursebook CTSO: Technology Student Association (TSA)

The older FYF district page uses different wording. High-school CTE can build evidence and preparation; it does not guarantee admission, a credential, employment, or completion of a postsecondary route.

How the pathway could support—but not complete—one career route:
