

Nursing Route Comparison and Decision

NAME _____ DATE _____ PERIOD _____

Part 1: Compare all four careers

Use the Nursing Career Route Guide. Do not mix a U.S. median with a local or starting figure without labeling the difference.

CAREER	PREPARATION AND LICENSE STEP	TIME OR ROUTE DETAIL	PAY FIGURE WITH LABEL	ONE DAILY RESPONSIBILITY
Nursing assistant				
LVN				
RN				
Nurse practitioner				

Part 2: Compare education options

RN route A: Associate degree in nursing

One possible advantage: _____

One question or trade-off: _____

RN route B: Bachelor's degree in nursing

One possible advantage: _____

One question or trade-off: _____

What must be true of either Texas pre-licensure program before a student enrolls?

Part 3: Make a route decision

Choose a fictional student:

- ☐ **Jordan** wants the shortest approved route into direct patient support.
- ☐ **Avery** wants to become an RN and limit time away from paid work.
- ☐ **Sam** wants advanced responsibility and accepts graduate school.

Recommended route: _____

Use one preparation fact:

Use one pay fact and label it correctly:

Name one trade-off or question the student should investigate:

Accuracy check

- ☐ I compared at least three careers.
- ☐ I labeled U.S. median, local figure, or starting pay correctly.
- ☐ I did not promise a salary, license, certification, or admission result.
- ☐ My recommendation uses evidence, not only the highest number.
