

# First Resume - Evidence Planner and One-Page Draft

NAME \_\_\_\_\_ DATE \_\_\_\_\_ PERIOD \_\_\_\_\_

## Page 1 - See One: A Fictional Middle-School Resume

**JORDAN LEE | IRVING, TEXAS**

**Target:** Student Media Lab Helper - classroom practice scenario

### Education

Bowie Middle School | Expected completion: 2027

### Skills

- Visual communication: planned two original event flyers and revised the hierarchy after feedback.
- Organization: tracked team materials and deadlines during a four-day design challenge.
- Audio planning: wrote clear interview questions and a transcript plan for a class podcast.

### Projects, Activities, and Service

- **Career and College Explorations Project:** Created an original visual concept for a fictional audience; tested the concept with one viewer and revised the font size.
- **Library Volunteer Scenario:** Sorted materials, explained directions, and recorded what the learner needed next.

### WHY THIS MODEL WORKS

| NOTICE            | EVIDENCE IN THE MODEL                                      |
|-------------------|------------------------------------------------------------|
| Safe header       | name, city/state, and school only; no private contact data |
| Standard headings | Education, Skills, Projects/Activities/Service             |
| Specific bullets  | action + task + evidence or purpose                        |
| Truthful boundary | the target and examples are labeled as classroom practice  |

### PRIVACY CHECK

Keep these off the classroom résumé: home address, personal phone/email, birth date, ID numbers, photo, family information, and reference contacts.

**Word bank:** heading/encabezado · evidence/evidencia · project/proyecto · responsibility/responsabilidad

**Action verbs:** created · planned · organized · revised · explained · tracked · tested

Page 2 - Plan Your Evidence

Use true school, project, activity, service, or responsibility evidence. Paid work is not required. If you need a privacy-safe alternate, use Jordan's fictional scenario and label it **practice**.
