

Cosmetology Career and Business Recommendation

NAME _____

DATE _____

PERIOD _____

Scenario

Jordan likes creative work, wants to work directly with clients, and may want to own a business one day. Jordan also needs to understand the training and license before choosing a high-school program.

1. Plan the evidence

Human Services career: _____

One real task or work condition:

Texas preparation or license fact:

One verified high-school or postsecondary next step:

One entrepreneurship opportunity and one owner responsibility:

One tradeoff Jordan should consider:

2. Write the recommendation

Write 6 to 8 sentences. Use the five evidence jobs above. Keep national pay data labeled as national median data; do not call it DFW starting pay.

3. Connect one design decision

Choose the SFX concept, texture build, revision plan, salon concept, or wellness post. Explain how that decision shows a skill used in the recommended career.

Artifact: _____

4. Check before submitting

- ☐ I named one Human Services career and a real task.
- ☐ I used an accurate Texas training or license fact.
- ☐ I gave a next step and did not promise admission or a credential.
- ☐ I explained one entrepreneurship opportunity and responsibility.
- ☐ I included one tradeoff.
- ☐ I connected one design decision to a career skill.
- ☐ I wrote 6 to 8 readable sentences or used an approved audio response with the same evidence.

Revision made after the rubric check: _____
