

School Subjects and College Credit Check - Optional Print Fallback

NAME _____ DATE _____ PERIOD _____

This page does not replace the assigned Xello lessons

Education experiences and School subjects at work are verified in the Xello Completion Standards report. If Xello is unavailable, complete this college-credit check and join supervised Xello catch-up.

School subject to career connection

One school subject I use now: _____

One career task that uses this subject: _____

Frame: “_ **uses** _ when ____.”

Compare two current Irving opportunities

English III Dual Credit (H): grades 10-12; prerequisite English II; the coursebook says it meets high-school and college-credit requirements.

AP Biology: grades 11-12; prerequisite Biology plus Chemistry completed or taken at the same time; college credit depends on the receiving institution's AP policy.

Word bank: **dual credit / crédito doble · prerequisite / prerrequisito · receiving institution / institución que recibe el crédito**

1. List both opportunities and name each type:

2. One requirement or limitation for each opportunity:

3. One question I would verify with a counselor or college:

Sentence frame: “_ **may fit my plan because** _ . Before choosing it, I would verify ____.”
