

MINI-CASE

07 / 10

Sofia loves animals but is allergic to cats and dogs. She also loves being outside. Sofia is looking at the H&L Animal Systems pathway.

- Which Animal Systems career would you recommend to Sofia (examples: Wildlife Biologist, Zookeeper, Marine Biologist, Equine Trainer, Animal Shelter Manager)? Use your career research worksheet or today's Hat browse. My pick:

- In one sentence, use ONE detail from your research (education, daily task, setting) that makes your pick BETTER than a general Veterinarian for Sofia specifically:

- Name ONE other Animal Systems career from today that would NOT fit Sofia, and why: Bad-fit career: . Why not:
