

Education Career Evidence Portfolio

NAME _____	DATE _____	PERIOD _____
------------	------------	--------------

Current Direction and Learning Design

Career or role I am analyzing: _____

Current Irving pathway connection, if verified: _____

One current fact with source and date:

One claim I am not making:

My Community Classroom goal:

One design choice and how it supports learning:

One Education career that contributes and what the worker produces:

Preparation Route and Job Evidence

One verified Texas requirement:

One provider-specific fact that still must be checked:

My route recommendation for the fictional student and the tradeoff:

Posting card selected: _____

Responsibility:

Qualification:

Preparation statement:

One transferable skill and how the worker uses it:

One limitation of the posting evidence:

Play and Service Evidence

One tested design revision and why it improved the activity:

One service skill and how it transfers to the selected career:

Why community service has value beyond an application line:

Final Evidence-Based Reflection

Does this direction currently fit you? Preference alone is not graded. Use one design example, one preparation fact, one posting fact, and one service or leadership skill.

My next verification or learning action:

Revision made after self-scoring:
