Compare the TWO halves of your Fairview Edge response plan.

Only in IMMEDIATE ACTIONS (2 things people do this week):

1.

2.

Only in the PREVENTION PLAN (2 things the town does for next year):

1.

2.

TRUE OF BOTH (2 things both halves need):

1.

2.

Bottom line: One of these two halves is the everyday work of a public health career. Name a Health Science career that does that work, and say in one sentence which half it lives in and why.

Career:

Which half and why:
