

Pest Patrol Peer Review and Revision Record

NAME _____

DATE _____

PERIOD _____

Part 1: Review one design

Designer name or Canvas submission: _____

Reviewer: _____

Use a short phrase for each check. Then write one specific strength and one useful next step below.

CHECK	YES	NOT YET	EVIDENCE I NOTICED
Six or more labeled features	☐	☐	
Sensor/camera purpose is clear	☐	☐	
Movement or field coverage is clear	☐	☐	
Farmer receives usable information	☐	☐	
Three labels connect to field evidence	☐	☐	
One tradeoff is stated honestly	☐	☐	

SPECIFIC STRENGTH

Name the feature or label and explain what works.

USEFUL NEXT STEP

Name what should change and why it would improve the design.

Part 2: Designer revision decision

Read the review. You decide what to use. A respectful review is evidence, not an order.

FEEDBACK I WILL USE

The exact change I will make:

Why this change improves evidence, function, clarity, or safety:

FEEDBACK I WILL NOT USE YET, IF ANY

Reason:

REVISION PROOF

Circle one: added label / redrew feature / clarified evidence / changed tradeoff / other

Where the change appears on my final design:

- ☐ My final draft shows at least one visible revision.
- ☐ I can explain why I made the change.
- ☐ My feedback is about the work, not the person.
