

Xello Goals Plan and Private Reflection

NAME _____ DATE _____ PERIOD _____

Before Xello: plan two honest goals

The district completion minimum is **two saved goals**. Choose goals that are true for you. You do not need to share private details with classmates.

GOAL 1

GOAL 2

Category: ☐ School ☐ Skill ☐ Career exploration ☐ Personal responsibility ☐ Other

Goal statement:

Timeframe or check-in date: _____

One task I can complete:

One possible obstacle and my backup plan:

In Xello: save both goals

1. Open Xello from district single sign-on.
2. Open **Plans**, then **Goals & Plans**.
3. Choose **Set a goal**.
4. Add Goal 1 with its category, timeframe, and at least one task.
5. Add Goal 2 the same way.
6. Check that both goals appear in your plan. Your teacher checks the Completion Standards report; do not post a screenshot with private profile information.

After Xello: private reflection

Which goal has the clearest next task? Why?

Which goal may need revision after you try the first task?

How did this week's engineering work affect one goal, if at all?

COMPLETION AND CATCH-UP CHECK

- ☐ I saved at least two goals in Xello.
- ☐ Each goal has a timeframe or check-in point.
- ☐ Each goal has at least one task.
- ☐ I completed the private reflection.
- ☐ If Xello was unavailable, I submitted this plan and scheduled supervised Xello catch-up. Paper planning does not replace the required Xello completion.
