

Farm-to-Table Infographic Planner

NAME _____ DATE _____ PERIOD _____

Part 1: Read the client brief

Sunny Fields Farm is a **fictional client** from the *Find Your Future* workbook. Your job is to explain how one crop moves from the farm to consumers. Use the facts printed in the client email. Do not invent a real address, phone number, social-media handle, certification, or pesticide claim beyond the scenario.

Chosen crop: ☐ Strawberries ☐ Grapes ☐ Bell peppers ☐ Cucumbers

Audience: **adult grocery shoppers who want a quick, clear explanation**

Working title: _____

PLAN THE FOUR REQUIRED STEPS

STEP	WHAT HAPPENS? USE A SHORT PHRASE.	WHAT VISUAL WILL SHOW IT?
1. Planting		
2. Growing and monitoring		
3. Harvesting and packing		
4. Selling or delivering to consumers		

CHOOSE TWO SCENARIO FACTS TO FEATURE

Fact 1: _____

Why a shopper would care:

Fact 2: _____

Why a shopper would care:

Part 2: Sketch before you build

Use this full page to plan the infographic. Show the reading order, title, four steps, visuals, and two farm facts. Boxes, arrows, labels, and rough drawings are enough. This is a planning page, not an art contest.

Part 3: Plan the details a reader needs

TWO QUESTIONS FOR THE FICTIONAL FARM TEAM

Question 1:

Question 2:

VISUAL AND SOURCE PLAN

I will use: ☐ Canva for Education ☐ Adobe Express ☐ Paper/chart paper ☐ Another teacher-approved route

My visuals will be: ☐ my own drawings/shapes ☐ built-in licensed elements ☐ source-cited images

If I use an outside image, I will record its source here:

FINAL BUILD CHECKLIST

- ☐ Engaging, accurate title
- ☐ Four steps appear in a clear reading order
- ☐ Each step has a visual and a short explanation
- ☐ Two facts come from the fictional client brief
- ☐ Text is readable, high contrast, and not placed over a busy image
- ☐ Color is not the only way the reader knows the order
- ☐ No real personal contact information or invented farm claim
- ☐ Final file is submitted in Canvas
