

SMART Experience Action Plan

NAME _____ DATE _____ PERIOD _____

Build from experience you can actually access

Valid experience can include a class project, club, CTSO, volunteer work, family responsibility, hobby, job shadow, portfolio project, or paid work. Do not promise an internship, job shadow, ride, fee, or local chapter that has not been confirmed.

1. Experience inventory

EXPERIENCE I ALREADY HAVE	SKILL IT REQUIRED	EVIDENCE I COULD SHOW

2. Choose one next experience

Experience or project: _____

How it connects to my current direction:

Access check: ☐ free or cost verified ☐ transportation considered ☐ permission considered ☐ adult/contact verified ☐
☐ equal school-based route available

3. Make it SMART

Specific: What exactly will I do?

Measurable: What evidence will show progress or completion?

Achievable: What makes this possible with my current time and access?

Relevant: How does it support my goal or build a transferable skill?

Time-Bound: What is the checkpoint or deadline?

4. Protect the plan

Person or resource I need: _____

Likely obstacle:

Backup strategy that keeps the same learning goal:

First action I can complete within seven days:

Done when

- ☐ The experience is real or clearly marked for verification.
- ☐ My goal includes all five SMART parts.
- ☐ I considered access and a backup.
- ☐ I named a first action within seven days.
