

High School Transition and Assessment Decisions

NAME _____ DATE _____ PERIOD _____

Plan from current information

Use the current TEA graduation framework and Irving ISD course information your teacher provides. This is a planning draft, not a final schedule or counselor approval.

1. Graduation framework

Foundation High School Program: _____ credits

Foundation plan plus an endorsement: _____ credits

Five endorsement areas:

1. _____
2. _____
2. _____
4. _____
3. _____

One fact I need a counselor to verify for my own graduation plan:

2. My current pathway connection

Current career or pathway direction: _____

Possible endorsement: _____

Why this connection makes sense based on my evidence:

3. Assessments do different jobs

ASSESSMENT	WHAT DECISION OR OPPORTUNITY CAN IT AFFECT?	WHEN WOULD IT MATTER TO ME?
High school end-of-course assessment		
PSAT / SAT / ACT		
TSIA		
ASVAB		
Industry certification exam		

4. Analyze two scenarios

Scenario A: A student wants to earn college credit in high school and later apply to a four-year university.

Two assessments or results that may affect the plan, and how:

Scenario B: A student wants technical training after graduation and is also considering military service.

Two assessments or results that may affect the plan, and how:

5. My current decision

One assessment or result I should learn more about: _____

It may affect my plan because:

The source or person I will use to verify the requirement:

Done when

- ☐ I recorded the current graduation framework.
- ☐ I connected one pathway to a possible endorsement without treating it as final.
- ☐ I explained what different assessments affect.
- ☐ I analyzed two scenarios.
- ☐ I named one fact to verify with a current source or counselor.
