

Aviation Route and Action Plan

NAME _____ | DATE _____ | PERIOD _____

A current direction, not a lifetime promise

Choose one:

- ☐ I want to investigate one aviation route further.
- ☐ I like the work but need a different preparation route.
- ☐ Aviation is not my current fit, but one Transportation career is.

Current career or Transportation direction: _____

One Day 2 fact that supports this direction:

One fact that could make me revise it:

Reopen the evidence

Daily-work fact:

Preparation step:

Tradeoff or eligibility question:

Communication or systems skill from the simulation:

Source, date, geography, and measure:

Stage 1: Within seven days

Action with a clear verb:

Evidence that will show it is complete:

Specific day and time block: _____

Person or source that can support it: _____

Equal backup if the first route is unavailable:

Stage 2: Before the next counseling meeting

Course, eligibility, access, or preparation question:

When I will check it: _____

Person or source authorized to answer it: _____

Evidence that will show it is complete:

Stage 3: During Grade 9 or after high school

Longer preparation step:

Label: ☐ Current requirement ☐ Conditional ☐ Still unverified

Why this label is honest:

Evidence that will show progress:

Time, obstacle, and revision

Weekly time block for Stage 1: _____

Likely obstacle:

Backup action:

Condition that would make me revise this plan:

Self-score and revise

CRITERION	MY LEVEL, 0-4	EVIDENCE I CAN POINT TO
Source accuracy		
Route reasoning		
Timed action plan		
Support and revision		

Weakest section: _____

Revision I made after self-scoring:

Submission check

- ☐ Current direction and evidence-based reason
- ☐ Daily-work and preparation facts
- ☐ Three timed stages
- ☐ Source and access date
- ☐ Support, obstacle, backup, and revision condition
- ☐ One visible revision after self-scoring

Private submission route: ☐ Canvas text ☐ File ☐ Media ☐ Paper
