

Automotive Route Decision

NAME _____ | DATE _____ | PERIOD _____

1. Current-source audit

Use the current Irving CTE/course-description source. If it does not state a detail, write **not confirmed in this source**.

Source title: _____

Access date: _____

EVIDENCE JOB	EXACT CURRENT EVIDENCE OR NOT CONFIRMED
Program/pathway name	
Campus or center	
Grade/prerequisite	
Application/counselor step	
Schedule or transportation	
Credential outcome	

One workbook statement that still needs current confirmation:

Why **not confirmed** is more accurate than guessing:

2. Route evidence cards

CURRENT IRVING ROUTE

Use only the verified fields from page 1. Current access, grade, transportation, and credential outcomes may require a counselor or CTE coordinator.

TCC AUTOMOTIVE SERVICE TECHNOLOGY EXAMPLE

2026-27 in-county tuition and fee estimates range from \$888 for a 12-credit award to \$4,440 for the 60-credit AAS. Books and other materials are excluded.

REGISTERED APPRENTICESHIP MODEL

Paid job, structured on-the-job learning, related instruction, mentorship, and progressive wages. The sponsoring employer controls availability and admission.

For each card, record one fact and one question:

ROUTE	ONE SUPPORTED FACT	ONE MISSING OR ACCESS QUESTION
