

Building Concept — Test and Revision Record

NAME _____

DATE _____

PERIOD _____

Requirement Check

REQUIREMENT	VISIBLE EVIDENCE	COMPLETE / REVISE
Four exterior walls		
Roof		
Entrance		
Two windows		
Purposeful feature		

My priority today is:

Test One Choice

The choice I tested:

How I tested it against the client/user need:

Evidence I observed:

Revise from the Evidence

My revision:

Why the revision should help:

Submit and Explain

- ☐ Digital model submitted privately in Canvas or visible in the teacher Classroom
- ☐ Paper concept submitted or privately photographed
- ☐ Test evidence and revision are complete

One worker who would contribute after this concept stage:

What the worker would examine or produce:

One limit of my concept model:
