

Unexpected Architecture — Individual Evidence

NAME _____

DATE _____

PERIOD _____

City Goals and My Contribution

Firm name: _____ Concept: _____

Two city goals selected from the licensed brief:

1. _____
2. _____

My individual contribution:

One design decision and the city-goal evidence behind it:

Front Concept

Label the important shape, entrance, user feature, and city-goal connection.

Labels/material ideas and their purpose:

Side Concept

Show how the building works from a second view and keep labels consistent.

One limitation or question the firm would investigate next:

Cluster Synthesis

Describe what three different workers would contribute at different points.

WORKER	WORK THIS PERSON CONTRIBUTES
1.	
2.	
3.	

One preparation fact from Day 2:

One salary fact with occupation, May 2024, U.S., median, and BLS:

How the roles work together to meet a city goal:
