

Salary Source and Lifestyle Target

NAME _____ DATE _____ PERIOD _____

Salary Evidence Audit

Preferred source: Xello localized salary with the displayed geography, measure, and date. If that evidence is unavailable, use the fixed fallback card on page 2.

Career/occupation: _____

Source: _____ Access date: _____

Displayed geography: _____

Displayed wage measure — check or write the source's exact label:

☐ starting pay ☐ median ☐ average ☐ range ☐ other: _____

Annual amount or displayed range: _____

One sentence that labels the evidence accurately:

One claim this evidence does **not** prove:

Fixed No-Login Career Card

ELECTRICIANS

- Work: install, maintain, and repair electrical power, communications, lighting, and control systems.
- Typical entry education: high-school diploma or equivalent.
- Common route: most learn through a four- or five-year apprenticeship; Texas license eligibility must be checked through TDLR.
- May 2024 U.S. median: **\$62,350**.
- 2024–34 projected growth: **9%**.
- About **81,000 annual openings**.

Source: U.S. Bureau of Labor Statistics, accessed August 2026. The wage is a national median, not DFW starting pay or a job offer.

Trend conclusion using one exact fact:

One limitation of using national projections for my future:

My Lifestyle Target

This is a planning scenario. You do not have to describe your family or current home.

HOUSING AND HOUSEHOLD

What type of place and household arrangement would fit this scenario?

TRANSPORTATION

What would this scenario use to get to work, school, stores, and activities?

FOOD, HEALTH, AND BASIC NEEDS

What choices matter most here?

CONNECTION, INTERESTS, AND COMMUNITY

What technology, hobbies, travel, giving, or community costs matter?

Savings and Future Goals

Emergency goal:

Education/training or career goal:

Long-term purchase or experience:

One choice I am willing to adjust if the budget does not balance:

One choice I want to protect and why:

Rank Three Priorities

PRIORITY 1

Name: _____ Why it comes first:

PRIORITY 2

Name: _____ Why it comes second:

PRIORITY 3

Name: _____ Why it comes third:

One need and one want in this scenario:

How the salary evidence and career trend might affect the plan:
