

Fifth Six Weeks Evidence Brief Rubric

NAME _____ DATE _____ PERIOD _____

Four-Criterion Rubric

CRITERION	4 — MASTERS	3 — MEETS	2 — APPROACHES	1 — NEEDS IMPROVEMENT	0 — INSUFFICIENT EVIDENCE
Source and measure accuracy	Two or more facts retain source/date/geography/measure and limits	Facts are accurate with minor label gap	One fact is usable but labels/limits are incomplete	Major source or measure confusion	Blank, off-topic, or no supported fact
Licensing and compensation reasoning	Correct role boundary; fictional gross math; split/expense/timing limit	Correct boundary and mostly correct math/limit	Partial boundary or math with repair needed	Collapses roles or calls gross guaranteed take-home	Blank, off-topic, or unsafe unsupported claim
Budget, labor, and entrepreneurship connection	Specific cross-week connection with tradeoff and responsibility	Clear connection with one supporting detail	General connection or missing tradeoff	Preference stated without evidence	Blank or off-topic
Communication and reflection	Organized 45-60 second private brief plus specific six-week reflection and next action	Complete brief/reflection with minor gap	Understandable but missing one major job	Fragmented or several missing jobs	No usable evidence

Total: ____ / 16

This is a Major draft until the live fifth-six-weeks assessment map and 40/60 Canvas groups are verified.

Submission and Feedback

Oral evidence route used: live / teacher conference / audio / recorded media / AAC / authorized accommodation

A written transcript may support planning, but written-only work is not automatically labeled oral-presentation evidence.

Teacher feedback:

Student revision plan:

One source label or calculation I will recheck:
