Week 5 budget/lifestyle conclusion:

Entrepreneurship opportunity and responsibility:

Private 45-60 Second Brief Plan

1. My current career direction or question:

2. Source-labeled fact one:

3. Source-labeled fact two:

4. Tradeoff or limitation:

5. Next investigation action:

Weeks 1-3 Reflection

Architecture — one specific learning:

Civil Engineering — one specific learning:

Construction — one specific learning:

One connection across these weeks:

Weeks 4-6 Reflection

Skilled Trades — one specific learning:

Personal Budget — one specific learning:

Real Estate — one specific learning:

One connection across these weeks:

Direction, Change, and Source Habit

My direction at the start of the six weeks:

My direction or question now:

The strongest evidence that changed or confirmed it:

One source-label habit I will use next:

Self-Audit and Revision

- ☐ I used two source-labeled facts.
- ☐ I stated a correct Texas role/license boundary.
- ☐ I separated fictional commission math from sourced labor evidence.
- ☐ I connected budget/lifestyle evidence without sharing private finances.
- ☐ My brief includes a tradeoff and next action.
- ☐ My reflection names specific learning from all six weeks.

Weakest criterion before revision: _____

What I revised:

One honest limitation that remains:
