

Education Career Evidence Portfolio

NAME	_____	DATE	_____	PERIOD	_____
------	-------	------	-------	--------	-------

Current Direction

Career or role I am analyzing: _____

Current Irving pathway connection, if verified: _____

One current fact and its source/date:

One claim I am not making:

Learning-Space Evidence

My Community Classroom goal:

One design choice and how it supports learning:

One Education career that contributes and what the worker produces:

Preparation-Route Evidence

One verified Texas requirement:

One provider-specific fact that still must be checked:

My route recommendation for the fictional student and the tradeoff:

Job-Posting Evidence

Posting card selected: _____

One responsibility, one qualification, and one preparation statement:

One transferable skill and how the worker uses it:

One limitation of the posting evidence:

Play and Service Evidence

One tested design revision and why it improved the activity:

One service skill and how it transfers to the selected career:

Why community service has value beyond an application line:

Final Evidence-Based Reflection

Does this direction currently fit you? Preference alone is not graded. Use one design example, one preparation fact, one posting fact, and one service or leadership skill.

[illegible]

My next verification or learning action:

Revision made after self-scoring:
