

Resume and Design Evidence Rubric

NAME _____ DATE _____ PERIOD _____

Four-Criterion Rubric

CRITERION	4 — MASTERS	3 — MEETS	2 — APPROACHES	1 — NEEDS IMPROVEMENT	0 — INSUFFICIENT EVIDENCE
Truthful, privacy-safe résumé	Standard headings; specific true evidence; consistent details; no sensitive data	Complete and accurate with a minor clarity gap	Several sections usable but one major evidence gap	Vague, inconsistent, or unsafe information needs repair	Blank, off-topic, or no usable résumé
Attention to detail and revision	Clear before/after evidence shows a meaningful accuracy or specificity repair	Visible useful revision with explanation	Minor revision or weak explanation	Claims revision without visible evidence	No revision evidence
Design reasoning and originality	Original solution uses all five principles, audience evidence, test result, and revision	Coherent original design with four or more principles and revision	Understandable design with partial principle evidence	Decoration or copied convention with little reasoning	Blank, copied, or no usable evidence
Career and job-search connection	Accurate career duty/source limit, tailored résumé bullet, and seven-step search reasoning	Complete connection with one minor gap	General connection or one major job missing	Preference or platform clicks without evidence	Blank or off-topic

Total: ____ / 16

This remains a Major draft until the live sixth-six-weeks 40/60 assessment map is verified.

Submission Check

- ☐ private résumé PDF/document or completed résumé packet;
- ☐ audio-cue/resume revision record;
- ☐ Merch Mode design brief and final design;
- ☐ career/source limitation and tailored résumé bullet;
- ☐ no personal address, phone, personal email, identifiers, references, or unauthorized contact data;
- ☐ optional Xello copy is not required evidence.

Submission route: Canvas upload / annotation / typed labeled response / paper / authorized accommodation

Teacher feedback:

Revision Record

My weakest criterion and why:

My visible revision:

One privacy, truthfulness, copyright, or source check I completed:

My next portfolio action:
