Privacy and Access Boundary

The portfolio uses fictional identity/employer/reference roles. Do not score or collect real address, phone/email, birth date, SSN, student ID, driver's-license data, banking/tax data, family information, availability constraints, signature, immigration/health/disability/religion information, or another person's contact information.

Equivalent interview routes include paired live, small group, teacher conference, recorded role simulation, or AAC. Accent, speech difference, disability, camera use, eye contact, clothing cost/style, and public confidence are not scored unless meaning is unclear.
