

Career Evidence Inventory and Recovery Plan

NAME _____	DATE _____	PERIOD _____
------------	------------	--------------

Purpose and Privacy

The capstone is a current evidence plan, not a punishment for a missing old page. Do not include home address, phone/email, ID numbers, family finances, health/immigration information, private interview contact data, or screenshots of a private profile.

Current career direction and one reason:

One thing that changed since the start of the course:

Evidence Inventory - Self and Career

EVIDENCE JOB	READY / REVISE / RECOVER	WHERE IT IS	WHAT IT CURRENTLY PROVES
interests, values, or strengths			
career goal and alternative			
daily task or work product			
preparation requirement			
labor evidence with labels			

Priority recovery:

Evidence Inventory - Path and Action

EVIDENCE JOB	READY / REVISE / RECOVER	WHERE IT IS	WHAT IT CURRENTLY PROVES
Irving pathway/current source			
high-school course/action			
postsecondary/training route			
SMART next step			
support role/strategy			

Priority recovery:

Recovery Route A - Missing Prior Artifact

Missing evidence: _____

Fixed source or teacher conference I will use:

New evidence statement:

Source/date/limit:

Recovery Route B - Missing Interview or Platform Evidence

Choose: teacher/counselor/staff conference / supplied role card / private written comparison / supervised platform catch-up

What the route can honestly prove:

What it cannot prove:

Evidence I will carry into the plan:

Capstone Evidence Map

My six strongest pieces of evidence:

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____
- 6. _____

One conflict I must resolve:

My Day 2 priority and why:
