

# Xello Resume and Revision Record

NAME \_\_\_\_\_

DATE \_\_\_\_\_

PERIOD \_\_\_\_\_

## Complete the required Xello Resume task

Open **ClassLink > Xello > About Me > My Resume**. Use the truthful school, project, activity, service, or responsibility evidence from your Day 2 draft.

- ☐ standard sections are present;
- ☐ education is accurate;
- ☐ skills and experiences are truthful; and
- ☐ Xello shows the Resume task as complete.

Use only district-approved information inside Xello. If Xello asks for contact information you do not know or should not share, stop and ask your teacher. Do not copy contact details from Xello into this page or Canvas.

**Word bank:** heading/encabezado · skill/habilidad · experience/experiencia · revise/revisar · evidence/evidencia

## Show one visible résumé revision

**Before:** Copy one vague trait, tool name, or weak bullet from your CCE résumé.

---

---

**Check the weak spot:** [ ] no action; [ ] no task/context; [ ] no evidence/purpose; [ ] inconsistent details.

**After:** Rewrite the bullet with action + task + evidence/purpose.

---

---

---

**Why it helps, plus one consistency repair:** The revision shows **[evidence]** by **[action]**. I also corrected **[detail]**.

---

---

---

**Done when:** Xello Resume is complete or supervised recovery is recorded, and the private CCE résumé has one visible before-and-after revision.
