

DECISION TREE

05 / 10

1

What is ONE thing I need to do in HIGH SCHOOL (9th-12th grade) to stay on track for this goal? (Example: "take Computer Science at my home HS," "apply to Singley for Cybersecurity," "keep GPA above 3.0 for college admission.")

2

After high school, which path fits FIRST? Circle ONE: **4-year college** / **community college** / **trade school / cert program** / **military** / **direct to work**

3

Branch on cost. IF my family CAN afford the first-choice path above, my next step after graduation is: IF my family CANNOT afford it, my BACKUP first step after graduation is
