

Advocacy, SMART Goal, and Time Plan

NAME _____ DATE _____ PERIOD _____

Start with the need

Use the fictional mobile farmers' market scenario on FYF pp. 134-135.

Who or what needs support? _____

One voice or detail that should shape the plan: _____

One respectful action a nutritionist could propose: _____

Build one SMART career-exploration goal

PART	MY PLAN
Specific: What will I do?	
Measurable: What count or evidence will show progress?	
Achievable: Why does it fit my time and access?	
Relevant: How does it help my next decision?	
Time-bound: What real course checkpoint or date will I use?	

Final goal: _____

Make time for the goal

ACTION	DAY OR CHECKPOINT	MINUTES I WILL PROTECT	WHERE OR WHEN I WILL DO IT
First step			
Second step			

Likely obstacle: _____

Backup strategy: “If _____, then I will _____.”

Private self-check or optional peer feedback

- ☐ The goal names one action and one measure.
- ☐ The deadline is real for this course.
- ☐ The plan includes protected time.
- ☐ The backup strategy is under my control.

Notice: _____

Question: _____

Next step: _____

Transfer check
