

Work Experience and Skills Synthesis

NAME _____ DATE _____ PERIOD _____

Part 1: Required Xello Work experiences

In ClassLink, open Xello. Go to **About Me** → **Experiences** → **Work**. Add at least one experience that actually happened and save it.

- Do not invent an experience.
- Do not enter a client name, private contact information, medical detail, or public profile link.
- If you have no experience to add or Xello does not open, tell the teacher. Complete this sheet now and finish the required save during supervised catch-up.

Completion status: **saved / teacher checked / catch-up needed**

One responsibility from a real or sample experience: _____

One Powerskill used: _____ Evidence: _____

Part 2: CareerOneStop Skills Matcher

Rate all 40 areas honestly. The results are suggestions based on your self-ratings, not a verdict. Do not submit a screenshot.

Career suggestion 1: _____ Skill connection: _____

Career suggestion 2: _____ Skill connection: _____

One pattern or surprise: _____

Part 3: Refine the plan

My revised SMART goal: _____

Time block I will protect: _____ Backup strategy: _____

Compare one skill across two careers

Transferable skill: _____

Career 1 and exact action: _____

Career 2 and exact action: _____

What stays the same: _____

What changes because the readers, tools, or stakes are different: _____

Final reflection

One piece of evidence I trust: _____

One next action I can complete: _____

Done when

- ☐ I saved one real Xello Work experience or recorded catch-up.
- ☐ I recorded two Skills Matcher suggestions without a screenshot.
- ☐ My SMART goal includes a time plan and backup.
- ☐ I compared one skill across two careers.
